Please note, due to the nature of the BA (Hons) Degree and the Ballet Central commitments, it's likely students on the BA (Hons) Degree Course will be required for additional rehearsals or classes outside of these published term dates. Central School of Ballet will communicate any amendments directly with students and will aim to give as much notice as possible. Please also note that once the Ballet Central Tour commences in the Spring / Summer Term, students will be required to work during evenings and weekends to accommodate the performance and tour schedule. A level of flexibility will be expected from BA (Hons) Top-up Degree students. Any concerns or questions relating to this can be directed to the Registry and Admissions Manager.
